The JV Warriors started strong by winning 7 of their first 10 games. Good pitching and timely hitting provided the impetus for the good start. However, they slumped a bit at the end of the season, and finished with a record of 9 wins and 9 losses. The lessons learned by these sophomores will stand them in good stead when they move up to the Varsity next year, and help in the efforts to repeat as Division II State Champs.

Just One More Time . . .

BASEBALL '77

"STATE CHAMPS"

JUST ONE MORE TIME ...

JUICE. It was the Warrior magic word en route to a state title. How can one possibly explain the 1977 baseball season under first year coach Mike Dube. Where does one start? The only possible place to go is to the States and the local news. "The Tantasqua Regional theme was 'One More Time' at the start of the state Division 2 championship baseball game Saturday at Renfrew Field. Little did the small army of fans realize it would have to make the 230-mile trek one more time to clinch it. The Warriors learned a few things in the first go-round before the rains came and washed out the title game after four full innings Saturday. The first was to cover the right field line against Drury lead-off hitter Steve Pennock. The second was that the Warriors could hit and run on Drury High starter Glen Boyer almost at will. The third was that 'Big Macs' don't do the job ... And it was the Whopper that came through for the Warriors. After stopping at Burger King for lunch, Tantasqua battled its way out of two deficits to cop the state championship with the same cast of heroes- John Ferrara, Mark St. Jean, Paul Grignon and Nick DiGregorio (in no particular order) that had gotten it to the pinnacle ... To be sure, the game was the least artistic of all the Warrior playoff wins. The Warriors had gotten great pitching every game, but Casey was hit hard when he came back on Sunday, and reliever Grignon couldn't find the plate and walked four of the five batters he faced in the five-run seventh inning. Only Hutchinson, the forgotten second starter in the rotation, could set the Blue Devils down, after giving up a two-run bouncer off the third base bag to the first batter he faced. Tantasqua's speed and aggressiveness were as important as any other factor in leading it to the crown. Each time a Warrior reached base, the Blue Devils were overly aware that he would probably go, they were powerless to stop it, and the result was a batch of costly errors ... AT TIMES 'I thought I had lost it for these kids.' Dube said later. 'It would have been a tough thing to live with for twelve months.' He didn't have to live with it even for a half hour. The last Warrior rally of the season ("Old fashioned, crazy, go-get-em, juice, baseball,' Dube called it) unfolded in the bottom of the seventh as had almost all the others, with the Warriors running helter-skelter around the bases and someone (or two) punching a key hit ... Labonte's liner to left made it official, and only a couple of nice stops by DiGregorio, who had moved to Hutch's spot at short, were needed in the top of the ninth, to put the stamp on it. The Warrior team bus was met at the Sturbridge Turnpike exit by two fire engines, four police cruisers and an entourage of cars and the parade found its way to the Sturbridge Plaza and then to the Brookfield Road High School where it was met by a carpet to the front door and an additional 400 fans. 'The town went crazy,' said Dube, who got the toss into the pond at the high school from his players. 'I told them to soak it all in. They deserve it.'"

The team, aside from their championship season, also passed most of the school's records in baseball. They were known for stolen bases, home runs, among other things. After being feted by the town all through the summer with banquets and testimonial dinners, the team settled down, with new jackets and status to await the return of spring and a new baseball season.

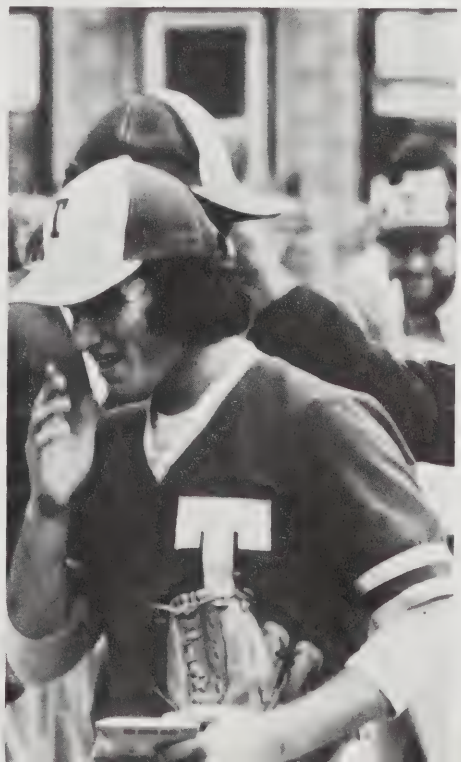
... a fiery new coach in Mike Dube, juice maker, "667-Black-Toledo", great memory, loser of keys, great pacer, predictor, verbal errors, "I said we would be in the states. I told them before the season started, when we were on our way back from a doubleheader at Falmouth, that if we put it together, we'd be in the states ... we've got kids with tremendous pride - great competitiors. We lost only when we failed to do things. Hey, we've been looking to get here all season long, and here we are. We're out to win five - one at a time." JUST one more time and Mike Dube can rip off the baseball shirt, throw it into the pond in leftfield and proclaim that he's got better things to do than stand in a funny colored suit, yell numbers that mean nothing and tell jokes. Dube has just one more chance to plead for "Juice, gimme some juice out there." Dube said it last night, a little after six, just before the Warrior bus flew home from Quincy. "It's been one hell of a playoff series." Just one more time now ... They'll believe Dube now ...

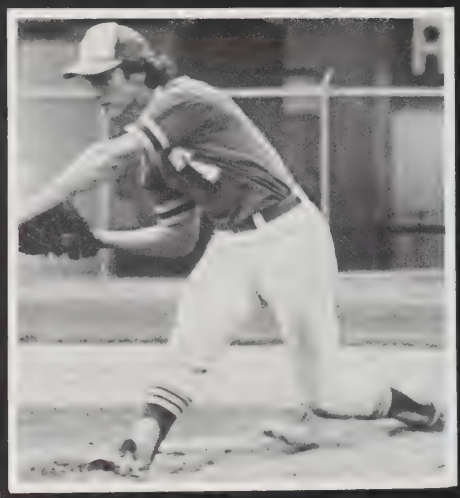
DAN BOONE-"Dan", swift, our 'Booneshot', missed bus, good bat, Jim's tackling dummy, up from minors, next years stealer. "Just one more time and maybe the local sportswriter will realize that that little jitterbug that goes in to pinch run really has the improbable name of Dan Boone.""I can't believe it."

BOB GREGORY- "Bob", runs waved in champ, low ball pitcher up from minors, super smile, good bat, anxious for next year. "Just one more time for Bob Gregory, who has spent his playoff in the third base coaches box, to frantically wave another runner home, then dive on top of the celebration in back of home plate." "We're going to do it, Coach."

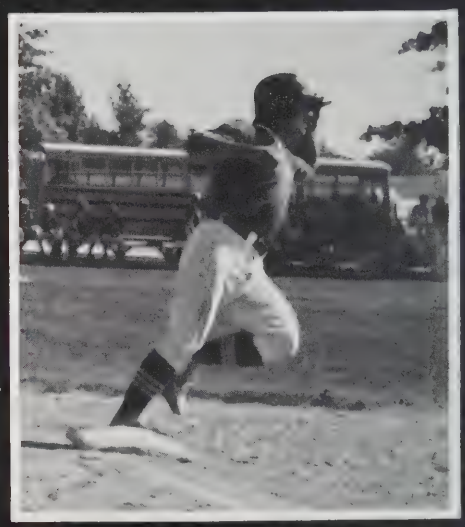
... Al Walker, asst. coach, giant with heart as big, good insight, stabilizer, loser of keys, taker of keys, farmboy at heart, truck driver, great help and friend. "I don't have your keys." "I think Jimmy's ready." "WE'RE STATE CHAMPS AND THEY'RE NOT."

... Walt Luce, "Walt", transportation, gourmet, globetrotter, leader, cards, cards, great supporter, good friend. "I think this is a better road."

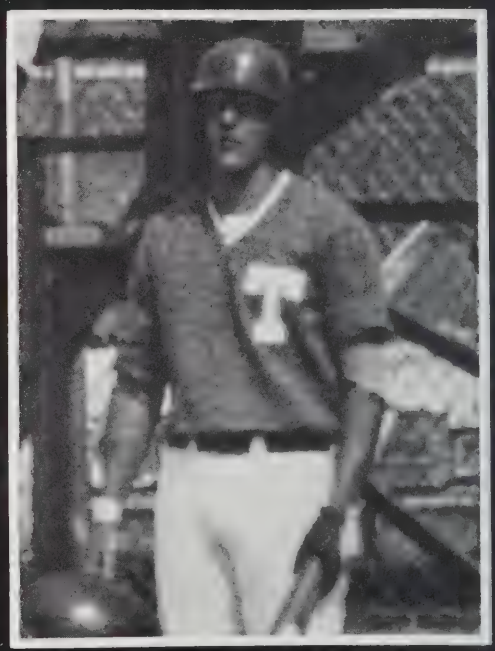




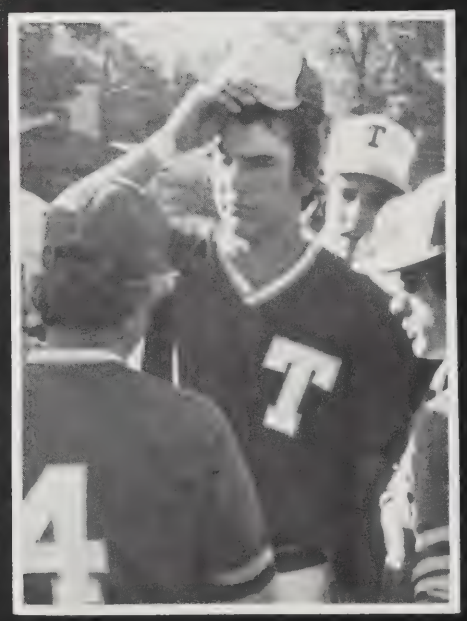
JIM GRIGNON- co-captain-"Whiz Kid", super leader, HR champ ballplayer, pitcher, loser of many baseballs, speed to burn, torn pants, dirty hat award, tops under pressure, loves that right field swamp, breaker of records, gets hotter when the weather does, Border Conference All Star, MVP, "Just one more time and Jim Grignon will be instantly voted the greatest athlete ever to grace the corridors of the Brookfield Rd. school and elected mayor of Sturbridge." because- "You don't tug on Superman's cape; You don't spit into the wind, You don't pull the mask off the lone ranger and you don't mess around with Jim." "Nice Rip, Pig" "Rip City" "Gimme The Good Balls"



KEVIN LABONTE - "Gig", superathlete, quickness personified, bad ball hitter, clutch man, ready smile, coach's dream, Sue's man, "Cool", greatest ground coverge, power boy, Border Conference All Star, "Labonte Cranks", "Just one more time for Kevin Labonte, who crushed the ball all season long to snap his playoff mini-slump and hammer Drury into submission." "I'm goin'ta rip." "I bit myself."

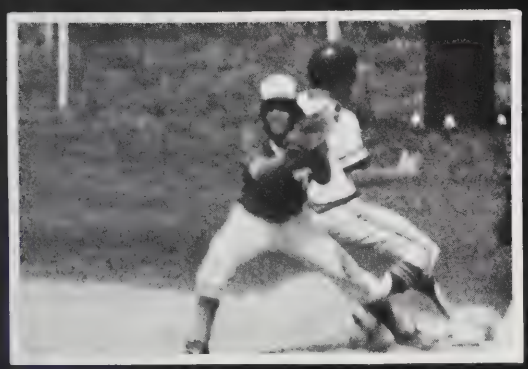


MARK GRIFFIN - co-captain- "Pig" by teammates for eating seven main dishes in 15 minutes, "stone glove" until the pressure was on, foot stamper, head knocker, temper champ, great RBI man, great arm, chief bleep man. "He picks up RBI's like pennies, known by girls at other schools as #26, now #10, on third base . . . the one who's cute. "Just one more time around for Mark Griffin, to sprawl in front of a liner, scramble up, and throw a runner out from across the diamond." -will probably stomp himself up to his neck in stonedust one of these days. "Whatta my doin wrong?" "S ----- "

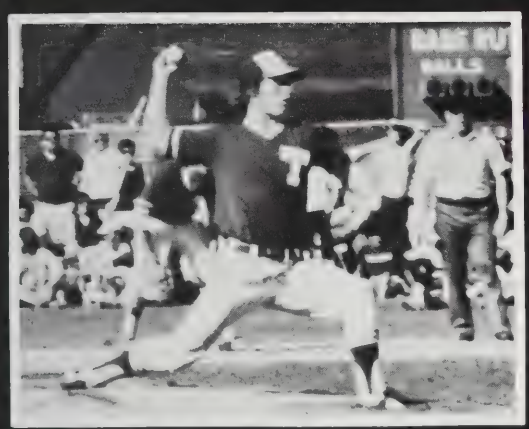


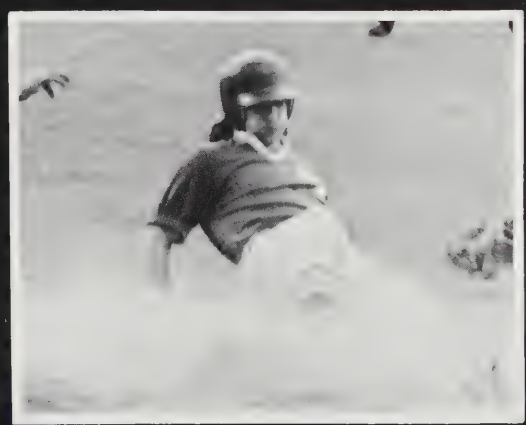
BRIAN KAITBENSKI"Kip", long body, big heart, green trucker, one handed, good arm, nap taker, "eyes", "SUPER slider", great cookout host, 3 A.M. bus driver, a competitor. "Just one more time for senior Brian Kaitbenski, the most unselfish Warrior, to come out of the game around the fifth inning, perch on the bench, and yell his guts out for his teammates. "I can't see."

CHRIS GRUBERT- "Runna", surprise, head first slider, Sun God, cool shades, good man, play by play with a stick wrapped in tape. "Where's the sun?", "Party Down."



JOHN FERRARA - "Johnny", accident prone, ball mouth, super pure hitter, nice heel, strategic returns to base, clutch man-bat and glove, nice lip thanks to Saint, next year's co-captain, "Just one more time and John Ferrara can say, "Feets, do yo' thing and run like a madman around the bases with no one there to disturb his jaunt." "Just one more time and Ferrara will not be remembered as the season's "Unsung Hero". Not with a .400 playoff batting average and 8 runs batted in." "Really, Coach?" "I know, Coach, I know."

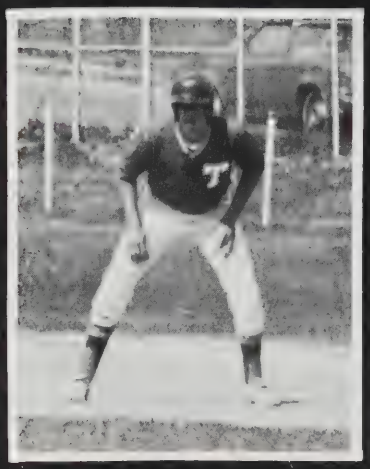




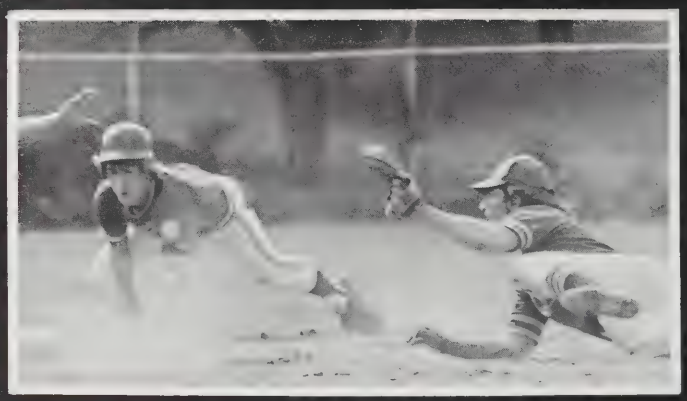
PAUL GRIGNON - Paul, super arm, hair, bench leader, nice hat, super quick, desire personified, clutch, great 2nd half, next year's co-captain, a rock behind the plate, "easily the best catcher in the Border Conference." Border Conference All-Star. "They're getting to know Paul, 'the other Grignon', too." "Just one more time and Paul Grignon might be recognized for what he has been - one of the two or three top ballplayers in the clutch and a quiet, stabilizing force. The earthling on a club of wide-eyed space cadets." "Yup." "C'mon you guys."

CRAIG HUTCHINSON- "Hutch" "Big Red", gutsy pitcher, big play man, boy who grew, helmet distance award, quiet fierceness, man who did it when it counted most. "Just one more time and maybe the local sportswriter will realize that Hutch is not a senior, although he has the ability, coolness and leadership of one." "Just one more time and the heady Hutchinson can go back to work on his manuel on how to play shortstop. Two of the plays he has made could be photographed to put in every 'how to' book." "If you can keep your head when all about you are losing theirs, blotching grounders and throwing wildly to the plate . . . then you can pitch. Excuse me Rudyard Kipling, but Craig Hutchinson, Tantasqua's tempestuous redhead, is ready to join the ranks of men." "Me, Coach?-Now?" "I couldn't get over the barbed wire."

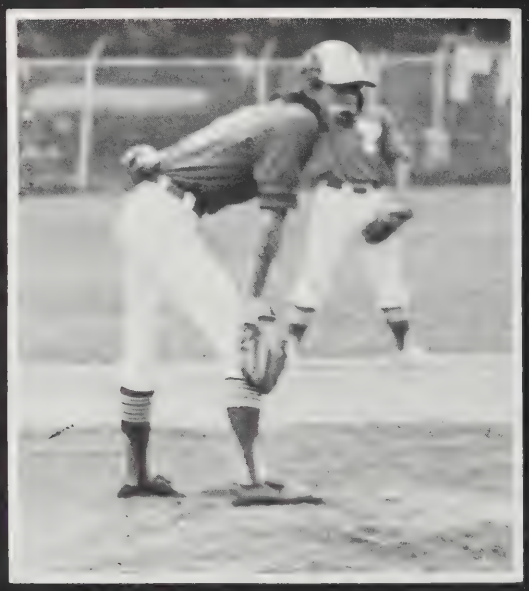
MARK ST. JEAN-"Saint", speed demon when sleeping, marshmallow line drivers - until it counted - then thunder, great arm, slippery foot, glove man, "Gene Tenace Memorial Where Were You During the Regular Season Award" "Just one more time and junior Mark St. Jean, who had just nine hits during the regular season and has six in four playoff games- every one a big one- can go on the lecture circuit with a dissertation on 'The Pressures of Playoff Baseball.' " "I don't know, I just don't know."



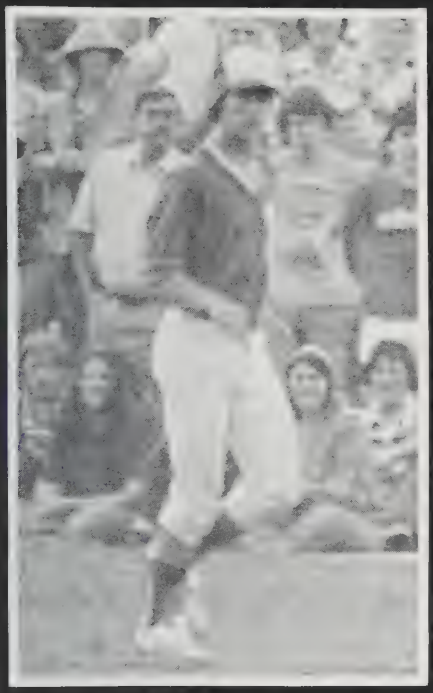
NICK DIGREGORIO- "Nick", unsung, floppy glove, shoulder bat, hair, Fred Lynn catch, game saver, clutch man, loose as a goose, great guy, team flake, hustler, prepares for game by eating TWO - not one- whoppers, great understudy at short. "Just one more time for Nick DiGregorio to stick his head into a photograph, make a circus grab in the outfield, and to walk around smiling and wearing that pointed hat of his." "I'll pitch, Coach." "Got any soap, Coach?" "My finger is OK."



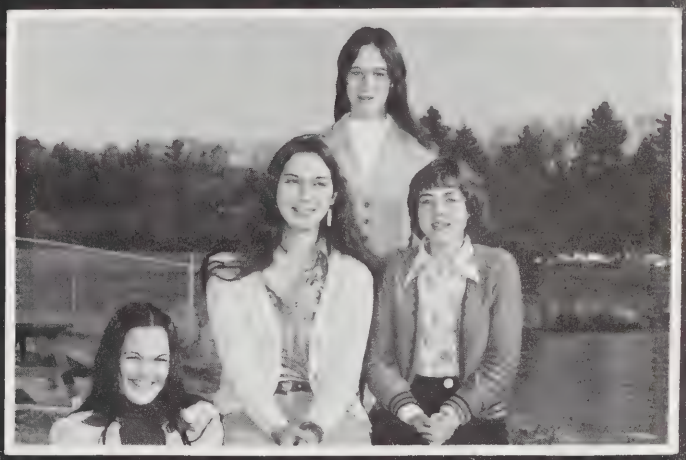
TED CASEY- "Sad Sack", baggy pants, super curve, big-game pitcher slap hitter, cool in clutch, string bean, tough to hit, southpaw, mind-boggling performer. "Looks like another loose lefty, Bill Lee-the leg jerk forward, first base before the delivery, the windup, even the cocked hat." Warrior Sad Sack No More. "Great." "My eye will be fine."



STEVE LITTLE- "Floyd", great arm, curve ball artist, good speed, great potential, smile guy. "I didn't mean to." "I don't like this mound."



WAYNE GRUDZIEN - "Wayne", soccer leg, good bat, speed, scramble hands, great potential, smiley, juice made him a believer, joke and party man on the bench. "I'm going to kill the ball, Coach." "Did the ice-cream man bring the ball back."



TERRI CASTANO- "Terri", manager, mental error sleuth, bleep counter, happy face, good buddy.

BETH OPISHINSKI- "Beth", manager, scorer, mental error definer, Kool-Aid queen, friend in need.

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories,
They're all that's left you.

We hope that we have put together a yearbook that will help you to remember all your times at Tantasqua, good and bad. We have tried to include as much as possible. If you have any grievous complaints about the way this book was put together, we ask you; Where were you when we needed help and suggestions?

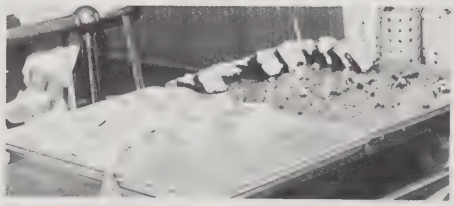
"Ode to the Final Doom of the Human Race."

High speed, Heart attacks, bumps and creaks,
Screaming Mongols, short-haired freaks.
Lumpy seats, immeasurable noise,
These are some of the "wondrous joys"
Awaiting you on your local bus,
A vehicle meant to torture us.
Early in the morning you are forced to rise,
And await the cause of your demise.
The grinning driver in his seat,
Won't be content with mere defeat,
And he won't stand for vanity,
What he wants is your sanity.
In the afternoon they drop you off,
Your body racked with a shuddering cough.
In a cloud of dust they let you lie,
Battered and beaten, but you cannot die!
You rally your strength for another day,
When once again you pass this way.
Homeward you crawl in degradation,
The price you pay for education.



What is food to one man may be fierce poison to another...
Highly fed and lowly taught-Eat enough and it will make you wise.

This is horrible!

"Somebody get me the Alka-Seltzer."

You gotta see it to believe it.

How do you handle a hungry man?

" 'TIS the time's plague when madmen lead the blind."

"Mary Oliver, Mary Oliver!"

Look to this day
for it is life
the very life of life
in its brief course lie all
the realities and truths of existence
the joy of growth
the splendor of action
the glory of power
For yesterday is but a memory
And tomorrow is only a vision
But today well lived
makes every yesterday a memory
of happiness
and every tomorrow a vision of hope
Look well, therefore, to this day!

I had always felt that...
school came
Into existence the day
I entered it, was vibrantly real
While I was a student there,
And then blinked out like a candle
The day I left.

Your time has
come to shine,
All your dreams
are on their way.

We've had some good times,
We've had some bad times;
Together.
We've had a lot of fun,
We've done a lot of things;
Together.

I will remember you,
And all the things we did;
Forever.
I will long for the day,
When once more we can be;
Together.

But now you're moving on,
Leaving on a silver wing;
Tomorrow.
Oh yes, you're moving on,
I'll see you fade away;
Tomorrow morning.

And the rain will fall.

WE ARE THE SENIORS!

The 1976 Warrior Football team enjoyed its first winning season since 1972. Led by the running of Kevin Labonte and the passing of Joe Grignon, along with a stiff defence, they finished their season with 5 wins, 3 losses, and one tie. Kevin Labonte finished his senior year as the second highest scorer in Central Mass. with 94 points. He surpassed Al Dhembe to become the leading scorer in the school's history. There will be 11 lettermen returning to the team next year which should bring a second consecutive winning season to the school.

1976 WARRIOR SOCCER

Warrior Soccer saw one of its best years in the history at Tantasqua. It ended its season with 9 wins, 6 losses, 1 tie and a trip to the District III playoffs.

The Warriors for the first time, qualified for the District III playoff, being seeded eighth out of ten schools. They were paired with Algonquin high school, but lost in a very hard fought battle 2-1.

Southbridge was defeated twice during the season, Wayne Grudzien scored two hat tricks and 15 goals this season. Tim "Lappy" Young had 6 1/ 2 shutouts, and 187 saves as goalie for the Warriors. Warriors outshot their opponants 316 to 266, outscored them 37 goal to 23 and had three soccer players named to the Border Conference all star team. Tim Young-Goalie, Andy Heyward-Fullback and Wayne Grudzien-Line.

1976 saw the first fall sport for girls at Tantasqua. Under the coaching of Nancy Bourdfeau the Varsity and Junior Varsity squads had a good first year. It was definitely a learning year for the squad as they had matches against schools such as Mount Herman Academy of Northfield, with several years of experience, Volleyball for girls on the highschool level is very new in this area, but it is a very exciting sport and with thirteen girls returning to the squad, out of sixteen, we look forward to a very promising second year.

This year's team was very talented and played some fine basketball. Although the year's record may not indicate it, the team was one of the best to come along in quite awhile. They played very competitive and exciting games. Many of them were lost by only a few points. Senior co-captains Chris Grubert and Bill Dickson were both named to the Border Conference All Stars Team. Chris was also given honorable mention in the Telegram and Gazette.

The '76-'77 Tantasqua Varsity Girls Basketball season completed a reversal of the previous year, going from 6-12 to 12 and 6. The returning juniors and senior captain Andrea Porter proved that a years experience and team play could achieve success.

Through the season started slowly, losing four of the first eight games, the girls won eight of the next ten. It was a season of maturing and development for all the players. Improvement is the key (in) explaining the girl's success. Their knowledge of the game and ability to execute under pressure assured the team a District III play off position- the first ever in a girls program.

The girls went from last in the Border Conference to second place.

The individual accomplishments were impressive as each player contributed superior efforts to the overall team.

A record doesn't always indicate how successful a season has been, but success can be measured by what a team gets out of the competition. The 1976-1977 season was our second year as a varsity sport and the team showed tremendous improvement over last year. In the final standings, only three points separated the last six teams.

We had two big "Firsts" this year: Our first win as a varsity team and our 5-0 shellacking of Southbridge during the second half of the season (after nearly tieing them the first half). Coach Cronin felt this was the best group of young men he has had the privilege of coaching--they worked well together on the ice and off the ice--and what they lacked in skills they made up with enthusiasm and hustle. They played well against Bay Path and Grafton, the two power-houses in the League--and played much better hockey the second half of the year.

Captains Steve Lazarz and Tom Cronin gave a tremendous boost to the team leadership and will be sorely missed next year along with our other seniors, Jeff Tasse, Mike Simpson, Ken Rose and Bill Ling.

Mr. Bombard, what are you doing in there?

Some men see things as they are and say,
why?
I dream of things that never were and say,
why not?

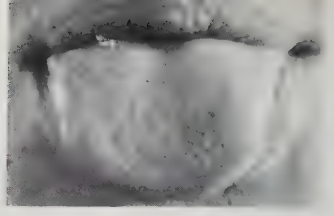
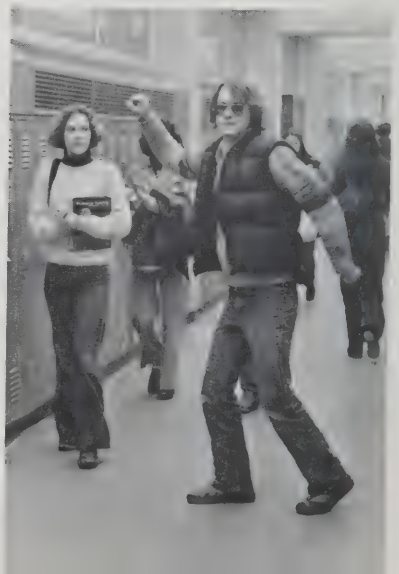
TEACH YOUR CHILDREN
You who are on the road
Must have a code that you can live by
And so become yourself
Because the past is just a good-bye.
Teach your children well
Their father's hell
Will slowly go by
And feed them on your dreams
The one they picks
The one you'll know by.
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you.
And you of tender years
Can't know the fears
That your elders grew by
And so please help them with your youth
They seek the truth
Before they can die.
Teach your parents well
Their children's hell
Will slowly go by
And feed them on your dreams
The one they picks
The one you'll know by
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you.
Graham Nash-1970



"SNOW BUNNY"



Hold fast to dreams
For if dreams die
Life is a broken winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is barren field
Frozen with snow.

Queen of the mopes

Actress Louise Lasser blew her stack in a Beverly Hills boutique and was plunged into exactly the sort of mope opera role she plays in *Mary Hartman, Mary Hartman*. Cops dug into her purse and found $6 worth of cocaine. But she got off easier than Mary ever does: charges were dropped after she agreed to consult a shrink.

The ups and downs of old droopy-nose

The much-heralded superjet, the droopy-nosed Concorde, became commercially airborne in 1976. But only just. It costs $60 million and flies so fast that you can leave London after breakfast and reach Washington in time for breakfast. Still, not everyone was won over by such speed. Environmentalists, whose arguments ended the U.S.'s own SST program five years ago, almost managed to shoot down the Franco-British Concorde, too. Although Ford's secretary of transportation, William Coleman Jr., permitted the plane to land in New York and Washington, New York said no, because of the anticipated noise and pollution. Until that issue is settled in court it will still be an open question whether the Concorde, which depends on the lucrative transatlantic run, will become an economic disaster or the successful harbinger of a new age of flight.

A sad day for old glory – busing in Boston.

In South Africa, murderous reprisals

In June the black ghetto of Soweto outside of Johannesburg exploded with the worst racial violence in South Africa's history. Angered by a law requiring the use in schools of Afrikaans (a language of the white minority), black students rioted, boycotted classes and fomented workers' strikes. In a characteristically iron-fisted response, the government answered with police dogs, tear gas and bullets, killing scores of students, like the victim at right, who is dying in the arms of a grief-stricken comrade. But the rioting continued through the summer, and by year's end some 400 people were dead, nearly all of them blacks

The root cause of the violence is the government's continuing policy of apartheid. Although some of its more humiliating provisions have been repealed, blacks are still barred from many desirable occupations and must carry much-despised identity cards. Officials have imprisoned hundreds of suspected black activists without due process, on the grounds that "the country is in a state of continuous, undeclared war."
